**The Prosperity Red blend combines Merlot and Cabernet Sauvignon, and the results are consistently delicious, approachable and satisfying. Sourced from both warm and cool climate vineyards, this red wine offers lush, ripe fruit notes, while still maintaining a pleasant and balanced acid note. Unassuming and food friendly, the aromatics of this wine recall ripe summer boysenberries, dark chocolate and plums. There is no need to decant this wine, as it's drinkable in its vibrant youth with a wide array of hearty meals. Because of its mellow tannins, it is also the perfect sipping wine.**
